THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No.24564 OF 2005

ORDER:

The petitioner challenges an order, dated 21.04.2004, through which the second respondent imposed the penalty of stoppage of annual increment for a period of one year with cumulative effect and directing recovery of a sum of Rs.304/-.

Though several contentions were urged by the learned counsel for the petitioner, this Court is not inclined to entertain the writ petition, for the reason that the service regulations provided for an appeal with the first respondent. The appellate authority would be in a better position to appreciate the matter after examining the relevant

records.

Hence, the writ petition is dismissed, leaving it open to the petitioner to avail the remedy of appeal before the first respondent. If the appeal is presented within a period of two weeks from today, it shall be received as having been presented within the limitation.
